

Planner suggests units south of Revere road

MOKENA — The village board at its recent meeting gave tentative approval of the recommendation of the Zoning Board of Appeals approving classification of segments of the Weber Planned Unit Development west of Schoolhouse Road.

There is a provision, however, that the strip along Midland Street be restricted to single family dwellings from 191st Street to Third Street. Under the plan recommended by the village planner, Robert Mason, there would be a couple of spaces south of Revere Road that would be part of the segment recommended for condominiums.

Trustee Marvin Homerding said he understood that these single family dwellings were to serve as a buffer zone between condominiums and apartments and the adjacent section of the village which is devoted to single family homes.

Why then, he asked, should there be a space at the south end of the line? One of the reasons advanced was that it would give the developer space for more living units, and that the property across Midland Street to the west was vacant. Homerding argued that if there was to be a buffer zone then have one.

Homerding's amendment to the original motion carried. The density for single family dwellings is figured at 3.4; for condominiums, 7.8 and for apartments 17. Under the plan recommended to the zoning board the density of entire project came to 10.7, which kept it under the 11 living units per acre limit agreed upon by the village board at its meeting June 27.

Now the density will be less than 10.7, it was said, because of the addition to the space for single family units.

In other business Trustee Anthony Dina, Sr., reported that the police department has been considering a program for youngsters from kindergarten through eighth grade. It is

part of a national program stressing safety. The materials for the program cost \$278.

The police department was planning to put up the money, Dina said, but some organizations in the community have indicated a desire to defray some of the cost. The Lions Club and the Chamber of Commerce are interested in the project, he said.

It was suggested that an ordinance be adopted requiring the licensing of all bicycles at 50 cents per license. Before a license was issued the bike would have to pass a safety inspection.

The license could be of assistance to police in some cases involving lost or stolen bicycles, it was said. Village Attorney George E. Sangmeister said it would be a difficult ordinance to enforce, with an overload of static as the principal result. No action was taken by the council in the matter.

Mayor Will Tuttle said parents should make it their business to see that bicycles operated by their children conform with the state laws, relative to being properly lighted after nightfall. There is a new law on this subject, which Gov. Ogilvie signed into law, that becomes effective in 1973.

Dina also reported that police are checking all swimming pools in the village to see that they are properly fenced or guarded to prevent possible accidents to children.

Trustee Kenneth Warning complimented the police department and the auxiliary police on their handling of traffic and crowds during the recent

July 4 festival.

Warning announced that bids are to be taken on the repair and maintenance of streets; one covering scarifying and the other seal coating some thoroughfares. Resolutions covering estimates of about \$17,000 of motor fuel tax money for street work have been adopted.

Warning also reported that the village's share of the cost for the paving of the Hamilton Street crossing approaches will be about \$4,000. A couple of weeks ago it was said the crossing would be ready for use in about two weeks but from its appearance it is in exactly the same condition that it was two weeks ago.

Trustee Chester Ebert suggested the Public Property Committee work with the Chamber of Commerce in clearing the mall of all obstructions and improve the parking. Attorney Sangmeister made the suggestion that a gate could be installed and paid parking would be a way to keep the area maintained.

Trustee Warning was instructed to see about getting the old foundations removed from the space so the area can be properly graded.

Village Attorney Sangmeister said that Village Engineer George Barber would be present at the board meeting Tuesday, July 25, with details and cost estimates, to solve the drainage problem on 195th Street. Two of the residents are to share the costs.

Appointment of Mrs. Eleanor Stewart, a Mokena teacher, to the Youth Commission by Mayor Tuttle, was approved by the trustees.

New school district budget awaits approval

FRANKFORT — Approval has been given to the tentative budget for Frankfort School District 157-C for the 1972-73 fiscal year.

At its recent meeting the grade school board put its okay on appropriations for expenditures totaling \$702,014. Final

approval will be given at a public hearing at the next regular board meeting which will be held at 7:30 p.m. Monday, Aug. 14, in the Frankfort Grade School library.

The estimated expenditures for the current fiscal year are somewhat higher

than last year's budget. Last year's appropriations totaled \$629,604. The budget is on display now in the Frankfort School office, Oregon and Hickory Streets, where it may be studied by the public.

Prime reason for the increase this year are the four additional classrooms

and learning center the board is having completed at Chelsea School. These classrooms will be fully equipped and staffed without any additional bond referendum.

The educational fund, which is used to meet payrolls and buy supplies and materials, is the largest item on the budget.

This year the educational fund is listed at \$496,195. This is an increase of approximately \$65,000 over the 1971-72 budget.

The building fund figure is up \$12,000 over that of last year. On the current budget the building fund is carried at \$78,125.

But now comes a figure that is lower than it was last year, about \$5,000 lower. This is the bond and interest fund which is \$75,764.

The transportation fund in the tentative budget is \$42,815. This is an increase of approximately \$8,000 over that of last year.

Also up, about \$2,000, is the item for the Illinois Municipal Retirement Fund. The cost this year is listed at \$8,115. This fund covers the non-certificated personnel in the school system.

In other business the board purchased two lunch tables, some audio-visual equipment, a secretary's desk and a typewriter. David Stedt, a graduate of Illinois State University, was hired as a part-time art instructor. Miss Linda Willet has been employed as a teacher aide for Chelsea School.

Approval was given the special education agreement for participation

in the Lincoln-Way Area Special Education Cooperative.

News Briefs

Extension board active

WILL COUNTY — The Will County Extension board has organized for the coming year, it was announced by A.A. Wicklein, senior extension adviser. Mrs. George E. Sangmeister, Mokena, has been selected as secretary-treasurer.

The Will County Extension Board is made up of three members of the County board, John Oster, New Lenox; Vern Drecksler, Peotone, and Martin Quigley, of Manhattan, and four

members of the County Extension Councils, Mrs. Sangmeister and Mrs. Norm Strassenburg, of Mokena; Jack Phelps, Plainfield, and Kenneth Heisner, Beecher. Quigley and Heisner are co-chairman of the extension board.

Organized under state laws, the extension board analyzes the financial requests from the various extension councils and prepares one budget for the U of I Cooperative Extension Service of Will County.

Frankfort facts follow

FRANKFORT — Organization of a historical society specializing on the past, present and future of the Frankfort area was launched last Friday night in the Frankfort District Library.

Ralph Eisenbrandt was named temporary chairman by the group, and Marie Tewes, the temporary secretary and reporter. The next meeting will be at 7 p.m. Friday, July 28, in the library.

The group has not yet selected a name but expects a decision will be made soon. Right now its prime aim is to collect photographs of places, things and people of earlier times in Frankfort.

If the holder of photographs wishes to keep possession of them the Society would like the privilege of copying them, according to Miss Tewes. Donald Witt is in charge of the photographic section. He may be reached by calling 469-5938.

The Society plans to eventually write a history of the Frankfort area, establish quarters and house historical

items there.

Anyone in the Frankfort area is invited to join the society — from junior high school age up, according to Miss Tewes. The dues will not be set until the society is finally organized and there are more members and it is expected they will be a reasonable amount in reach of everyone.

With the annual Frankfort Fall Festival slated to begin late next month it is expected that many residents will be drawn to their attics to seek out finery and other articles of earlier days in the community. The historical society hopes it will be remembered, especially now with any old photographs.

There are quite a few people, it is agreed, who would like to dispose of some of their historical things, they have no one of their own who would care to have them and they don't want to throw them away. The historical society is the answer, its organizers pointed out.

Mother's club sets luau

NEW LENOX — An Hawaiian luau, is planned by the Mothers' Club of Providence High School for Saturday, July 29, at the Riviera Lake Club, 143rd Street and 88th Avenue, Orland Park.

There will be cocktails at 6:30 and a Polynesian dinner at 8 p.m. The dinner will be followed by dancing to the music of the Gene Victor orchestra, starting at 9:30.

Casualness will be the mood for the evening. For those who don't care for cocktails or dancing there will be swimming from 6:30 p.m. to the close,

which is set for 1 a.m.

Tickets are \$8 per person. For information about tickets one may call the Don Shephards, 838-1693 at Lockport, or the Dan Ruettigers at Joliet 723-4555. The committee announces that everyone is invited.

Mr. and Mrs. Victor Kurpaitis and Mr. and Mrs. Joseph Smriga are co-chairmen. In charge of refreshments are Mr. and Mrs. Robert Gorski. Publicity chairmen are Mr. and Mrs. William Barrett and Mr. and Mrs. John Ohla.

Tinley creek turns up three truckloads

TINLEY PARK — Boy Scouts, Cub Scouts and Den Mothers joined a handful of local Jaycees Saturday in a clean-up effort of Tinley Creek.

Jaycee Chariman Ken Cramer termed the scout turn out and cooperation "fantastic". Cubs and Den Mothers from Packs 307, 353, 336 and Scouts from Troop 355 assisted the Jaycees collect three truck loads of debris from the meandering stream.

The Jaycees had recently stocked the stream with three dozen 12-inch catfish.

The Ecology Committee of the Jaycee Chapter with Cramer as chairman undertook the clean up as the committee's first effort. He said future projects will depend upon community response and requests.

Other Jaycees working on the clean up included Dave Dailey, John Soltis and Julian Avelis. Cramer commended the village's Public Works Department for providing two men and the trucks in assisting with the project.

Another Jaycee note is that Don Rasmussen, director of the chapter's public information committee, has been hospitalized for an indefinite period of time to undergo back surgery. He is in Room 441A, Presbyterian-St. Luke's Hospital, Chicago.

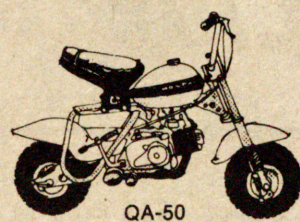

Blotter

In last week's Blotter it was reported that Cindy Pakus, 2-1/2 year old daughter of Mr. and Mrs. William Pakus, 15218 S. Oxford, Oak Forest, was treated at South Suburban Hospital for facial cuts and bruises after being struck by a motorist July 4.

The child is presently in traction at the hospital where he she will need treatment for another three weeks.

According to the Mrs. Pakus, her daughter's injuries included a fractured thigh, a cracked hip, severe burns to the left arm and abrasions to the face and head.

Film shows bat, grunion

OAK FOREST — "Dust or Destiny," a full-color motion picture produced by Moody Institute of Science, Whittier, Calif., will be shown at the Southwest Bible Church, 15601 S. Lamon, at 8:45 p.m. Sunday, July 23.

In "Dust or Destiny," the audience learns about the built-in "radar" system

that guides the bat in its midnight flights.

Many other wonders of nature are depicted in the film. The fantastic grunion of California, small fish of the smelt family, are pictured as they come up on dry land to lay eggs.

Further information may be obtained by calling 687-2230 or 687-4724.

Bremen GOP picnic set

BREMEN TOWNSHIP — The Bremen Township Republican Organization is planning its second annual picnic Sunday, Aug. 13, at Yankee Woods Forest Preserve, 164th Street and Central Avenue, Oak Forest.

The day will begin at noon and include activities for all ages. "Special emphasis is being made for more entertainment for the kids, with various games, free soda and hot dogs, prizes and a special event the children enjoyed so much last year, a pie-eating contest,"

Stanley Magiera, president of the Bremen Republicans, said.

"Last year we had more than 1,100 persons attending and this year we are anticipating more than 2,000. Anyone in Bremen Township is welcome to attend," Gene Leonard, Bremen Township Republican committeeman said. "We will have live music and dancing for both the young and old," he added.

Local people working on the picnic are Herbert Hedeon, Oak Forest, and Edwin Hug, Tinley Park.

Here's enrollment times

TINLEY PARK — Enrollment of elementary school children can be made any weekday between 9 a.m. and 3 p.m. at School District 140's main office located in the Fernway Park School, 16600 South 88th Ave.

This is for those newcomers in the Tinley Park district who are not aware of the boundaries for the school.

A warm welcome is extended to all newcomers from Superintendent John Bannes, and he wishes all possible students to be enrolled as soon as possible.

If there are any problems concerning enrollment of transfer students or kindergarten residents are asked to call 532-6462.

Carnival fights disease

TINLEY PARK — A neighborhood carnival against Dystrophy will be held 1-5 p.m. Wednesday, July 19, at 17250 S. Parkside Ave. Kathy Dee Goessel, daughter of Mr. and Mrs. Donald L. Goessel, will serve as ringmaster, assisted by Nancy and Dan Goessel.

The carnival will feature such games as horse rides, hay rides, fishing games, beanbag, pop bottle toss and movies. All proceeds will go to aid the fight against

Dystrophy and related diseases afflicting millions.

Bill Jackson (B.J.) is promoting carnivals in his "Cartoon Town" children's show seen on station WFLD. Last year, in cooperation with Muscular Dystrophy Associations of America, 28,143 carnivals were held by children across the country, and over \$755,657 was raised for MDA research and patients service programs.

Actor will perform at Balmoral 'Fair'

James Darren will be one of the entertainment headliners at The Great Midwest Fair running July 25 - July 30, Tuesday through Sunday at Balmoral Park just five minutes south of Chicago Heights on the Calumet Expressway.

With different shows scheduled each day of the six-day event, fair goers are assured of continuous variety in entertainment along with midway rides, wild animal petting zoo, livestock exhibits and pony and horse shows.

As an entertainer, Darren is unique among today's young performers. He is an actor, singer, businessman, husband father, motorcycle and auto racer. He is

also a composer and a successful real estate operator.

With fan mail pouring in from his television exposure in such films as "Guns of Navarone", "Let No Man Write My Epitaph", "Diamond Head" and the Gidget series, Darren is returning to his first loves — movies and television.

As a talk show guest Darren is in demand by Johnny Carson, Merv Griffin, Steve Allen, Mike Douglas and Virginia Graham. His new single record release "Bring Me Down Slow" has just been released to critical applause.

Old church haven for antique buffs

Crete is one of the most interesting old towns in this area. It also contains a fascinating group of shops known as The Market Place. Located at 550 Exchange Street, they are housed in a church built in 1854. Though it bears traces of earlier fires, it is still a sturdy building with all the character of prairie churches of the Middle West.

The memorial windows from old Crete

families are still there, sealed in storm windows. The huge chandeliers, once kerosene, now electrified, were given by the Ray family and can never be sold.

The shops combine all the things that browsers love - antiques, including dolls, ceramics, fashions.

Don't forget the Coffee Corner where light refreshments are ready for the shoppers.

A dubious 'first'

Young showmen

This year produced a "first" for the South Cook County 4-H Fair which has been an annual event for more than 25 years.

Nearly 700 young people took part in the three-day event and more than 1,300 projects were exhibited. However, it was the first time livestock were not exhibited, according to William F. Whiteside, South Cook County Extension Advisor.

Whiteside said he could remember when there were as many as 33 exhibits in one class in the beef classification. Dairy cattle exhibits also have disappeared from the 4-H Fair as they have from the South Cook County landscape. The annual fair is held at the Will County 4-H field on Francis Road at New Lenox.

Although 4-H membership is down slightly this year in South Cook County, Whiteside believes that the program will grow. There are 28 clubs in the South Cook area and the extension office has

received inquiries about the organization of new clubs.

The grand champion winners each received a trophy Saturday night during special presentation ceremonies. The trophies were presented by Gerry Pleckham, Matteson, and Ruth Engelmann, Palos Heights, the new 4-H king and queen. Gerry is a member of the Rich-Bremen Club and Ruth is a member of the Palos Pixies.

King escorts were Steve Luse of the Park Forest Jets and Mike Arndt of the Park Forest Jets. Members of the queen's court were Michele Tullier of the Park Forest Sauketeers and Charlene Pleckham of the Rich-Bremen Club at Matteson.

Grand champion winners, their projects, address and club are as follows:

Animal Science: Darlene Schwer, Tinley Park, Tinley Hustlers.

Arts & Crafts (9-12 yrs.): Sheryl

Prystalski, South Holland, Stitch & Stew.

Arts & Crafts (13-19 yrs.): Bill Ecob, Park Forest, Park Forest Jets.

Three sisters attend Bride

TINLEY PARK — Miss Colleen Salmich, daughter of Mr. and Mrs. Raymond Salmich, 17317 S. Harlem Ave., became the bride of Lucas Curalli, May 27 at a double ring ceremony. Father Thomas O'Connell officiated at the St. George Catholic Church ceremony. The groom is the son of Mr. and Mrs. Lucas Curalli, 5762 W. 150th Pl., Oak Forest.

Organist during the wedding was Ellen Feldner.

The bride, whose gown was nylon tulle, with pink accented flower appliques, was escorted to the altar by her father. Her bridal bouquet consisted of mums and orchids.

Maureen Salmich, attired in a pink floor length organza gown, was Maid of Honor. She carried a basket of multi-colored daisies.

There were two bridesmaids; Gwen Patton, sister of the bride, who wore a floor-length, peach-colored gown, and Marcella LaCassa, sister of the groom,

similarly attired in a lilac colored gown. Their flowers were the same as the Maid of Honor's and Christine Patton, niece of the bride, who served as flower girl. Christine's green dress was styled as the bridesmaids' dresses.

The Best Man was Larry Walsh; Joe Curalli and Jerry Wall served as attendants.

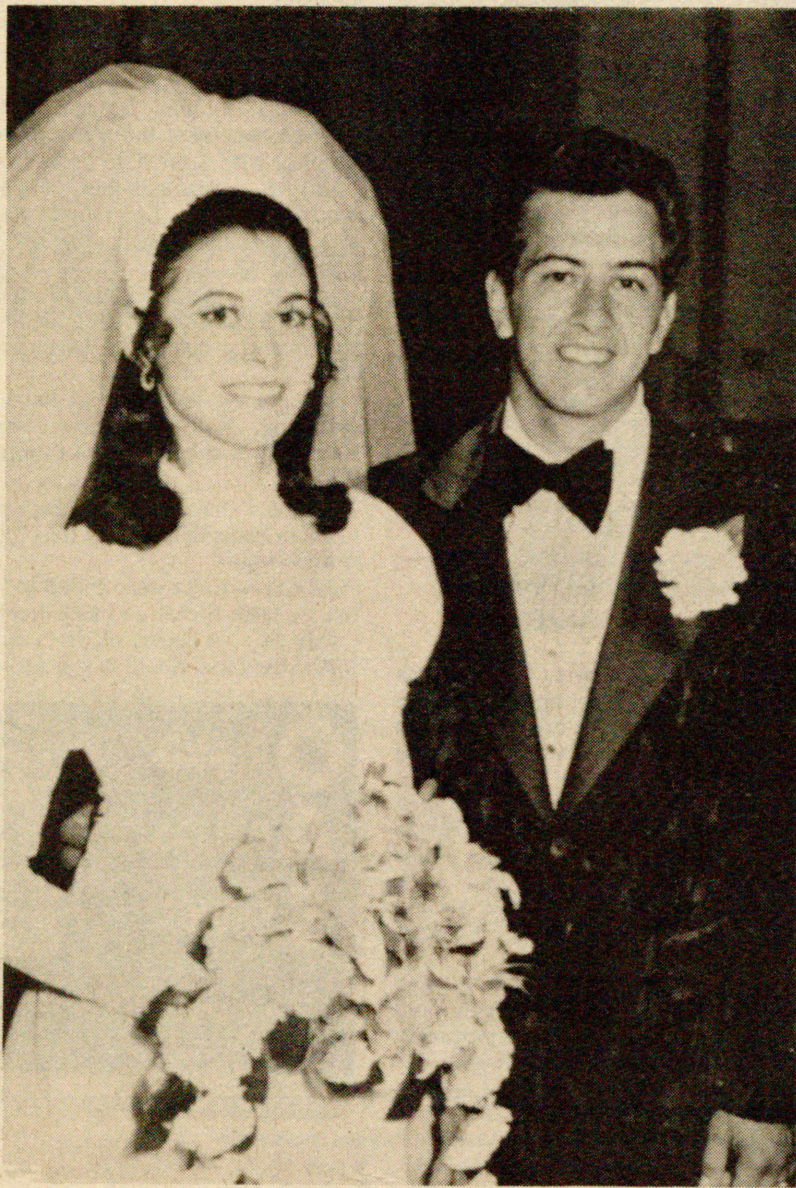

Mrs. Salmich wore a rose-colored, chiffon gown with a beaded bodice, and a rose and white carnation wristlet.

The groom's mother, Mrs. Curalli, whose wristlet was blue and white carnations, wore a blue chiffon gown with a beaded bodice.

Grandparents attending were Mr. Gido Salmich and Mr. and Mrs. Joseph Curalli.

The reception and champagne dinner at Hallerans Restaurant was attended by about 200 guests.

The new Mr. and Mrs. Curalli are now living in Steger, after a honeymoon in the Pocono Mountains, Pennsylvania.

MR. AND MRS. LUCAS CURALLI

MRS. LEE HARTMAN

Tennessee, new home for couple

NEW LENOX — Wedding vows were recited by Miss Linda Weldin and Lee Hartman at 2 p.m. Saturday, June 24, at the First Baptist Church, New Lenox.

Parents of the couple are Mr. and Mrs. Herbert Guy Weldin, New Lenox, and Mr. and Mrs. Leland C. Hartman, Manhattan.

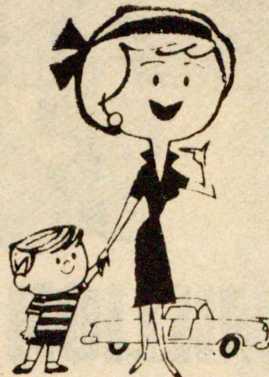

Sandra Giles was maid of honor and Terry Hartman and Robin Hartman were bridesmaids. Debra Weldin was flower girl.

Best man was Wesley Hartman. Ushers were Jim and Jeff Davis and Danny Quigley. Ringbearer was Randy Davis.

A reception followed the ceremony in the church hall.

The couple went to the Smoky Mountains for a honeymoon. They are making their new home in Chattanooga, Tenn.

Marriage is for mature people

Grow up before you marry.

People who are emotionally insecure tend to communicate with people who, like themselves, are emotionally insecure. Sympathy for each other generates emotional involvement. Because neither is strong enough to support the other, both are emotionally damaged by the marriage, and the consequences are often very devastating because of this experience.

Many have only a kind of romanticized notion of marriage, based more on a world of "make believe" rather than "down to earth" reality.

Marriage is for mature people. There is no age that determines maturity — some people never mature no matter what their age is.

Maturity is indicated by how a person faces personal responsibility, by how practically he solves problems,

by how he handles himself in time of crisis.

Maturity has motivation — plans are carried out through perseverance, work performance is good, and there is personal joy in accomplishment.

Marriage is not a reform school.

Few people were ever reformed by marriage.

Personal eccentricities, hang-ups, bad habits continue during marriage. Frequently, they become worse. The little things that looked so cute during courtship may become horrible irritations after the wedding ceremony is over.

Up the hill and down the lane in

Prestwick

By Michael J. Flynn
815-469-5617

The results of the McIntosh Trophy Golf Tournament are in and would you believe it was a tie. William J. Flynn of Maple Court and Emery Pavol of Tinley Park will split the honors this year with both their names being engraved on the trophy. Bill Flynn shot two 69s and Pavol shot a 68 and 70 for the total tie score of 138.

Vic Varner of Prestwick Drive and his son, Larry, 16, won the father and son golf tournament last Sunday with a score of 63 for 18 holes. The nine hole honors for father and son day were won by Ernest Stebbins of Fairway Lane and his son, Peter, with a score of 26. It was a busy day in Prestwick for golf tournaments.

After a long silence from our unwelcome visitors, it seems that they have discovered us again. The club house was broken into during the early morning hours of July 10. The burglars heavily damaged two vending machines removing cash in the process and then proceeded to ransack the office. Will County Sheriff's Investigators are examining evidence found on the scene.

Sherri Davis of Pheasant Trail just returned from a lengthy visit out east with her son and daughter-in-law while Cliff Davis just returned from a quick trip to Scotland.

The luau, a Hawaiian feast of celebration, can be a fantastic event. Your writer has enjoyed many of them from the old traditional style luau's given by churches in the islands to the commercial affairs put on for the benefit of the tourists by the glittering hotels and resorts.

One of the finest to come to our attention was the event held by the club last Saturday. The grounds were most appropriately decorated with Japanese lanterns and the weather was certainly reminiscent of the islands, warm and balmy. The food was both fantastic and superb according to all the reports. Two pigs were roasted outside in properly prepared pits and all of the traditional repast of the islands was available on the groaning tables so professionally prepared by Hans and Jim. The last of the 200 plus guests went home around 2 a.m. bespeaking a most enjoyable evening. The social committee members certainly deserve a big hand for their considerable efforts.

Can anyone in Prestwick remember what they were doing on July 26, 1882? No! Can anybody remember what they were doing in 1900? No! Oh yes, there is someone residing here who was born on July 26, 1882. She may not exactly remember what she was doing on that day, but its for certain that she won't forget the date.

Effie Belle McDonnell, grandmother of Mrs. Alton Baird of Pheasant Trail will celebrate her 90th birthday next Sunday with a riot raring party for nearly 40 guests among which will be five generations of the family.

Effie was born on a farm just outside of St. Joseph, Mo. where she was raised with her brothers and sisters. She met her husband, William, in St. Joseph where they lived for a number of years. Bill was transferred to Kansas City, Kan. and then Wichita by his company and then finally to Chicago. Happy birthday, grandma.

The Senior High Youth of St. Peter's United Church of Christ will go to Oxbow, Wis. for a canoe trip on the Flambeau River on July 21, 22 and 23. This trip is for experienced canoeists only or those with a life-saving badge. Guests are invited. The cost will be \$15 for members and \$20 for nonmembers. This fee includes all expenses (food, lodging and transportation).

The college students will conduct the entire service at St. Peter's on Sunday, July 23.

The church councils of St. Peter's meets at 8 p.m. Wednesday, July 26.

Summer communion service will be at the 10:30 a.m. service on Aug. 6.

The quarterly meeting of St. Peter's will follow the worship service on July 30.

Dr. Max Weiss, a dentist from Munich, Germany, arrived here at the home of his cousin and family, Mr. and Mrs. Jake Guth recently and will be their houseguest for two weeks. From here he will fly to Canada to meet friends and see various places of interest.

Miss Erma Barelort, Germany, returned home recently after being a houseguest of her uncle, Herman Barlewart, for six weeks. She also spent a week with another uncle and his family, Mr. and Mrs. Julius Sewing of Elwood. On her return trip home, Miss Barelort called on other relatives in Hanover, Germany.

Mrs. and Mrs. Anthony Laurie and sons, Anthony and Mark, entertained the Will County Cerebral Palsy teenage club Sunday afternoon at their home for about 40 teenagers. A picnic supper was served to them.

Mr. and Mrs. Donald Murphy, 229 Hickory St., Frankfort, are the parents of a daughter, Susan Kathleen born July 1 at St. James Hospital, Chicago Heights.

Arbury Hills

The Bookmobile, through the sponsorship of the Mokena Library Board, will again be at the Arbury Hills School this Thursday, July 20, from 10 a.m. until 3 p.m. to service our community.

There are some 1,000 books available as well as a small selection of art prints and phonograph records which may be taken out without charge by the residents of Arbury Hills.

The July meeting of the Arbury Hills Baseball League was held at the school this past week. It was decided at that time that the Baseball Banquet would be held at Dorand Hall, 15732 S. Halsted Street, Harvey, Saturday, September 9, beginning at 6 p.m. The cost of the tickets has not as yet been set.

A treasurers report was given with the balance being approximately \$700. The results of the car wash day was also reported on as was a somewhat disappointing \$68 in spite of the generous donation of the equipment by Peter Carraras, Mrs. Joanne Ervin and Bill's Texaco. A lack of cars to be washed seemed to be the main problem.

In response to questions, Jordan Marzano, a member of the Mokena Park Board and also a member of the Baseball League, stated that the grading is almost completed on the park in Arbury Hills and that the large backstop for the big field has been ordered. He also reminded those present that minibikes and bicycles are prohibited from the area to maintain the grading already done. Signs are to be posted.

In the past week's play of the Baseball League the Arbury Hills Dodgers played Peotone in a home game with Peotone coming from behind to win by the score of 11 to 8. The Arbury Hills Pirates also lost their game in the last inning by the score of 5 to 4 against New Lenox. In a B Team game the Orioles played the White Sox and stayed in a 2 to 2 tie until the fourth inning when the Orioles put on a scoring surge and finished the game on the long end of a 12 to 2 score.

In softball games the girls played the 8-9 year old all-stars at Matteson and lost by the score of 22 to 12. The girls also played Peotone last Wednesday and were defeated by the score of 37 to 23. The Panthers played the Lincoln Estates Swinging Sisters in a home game that was finished in a downpour with the Panthers coming out on top of a see-saw score of 27 to 25.

The girls have three games scheduled for the week with the 10-12 year old all-stars playing at Orland Park at 6 p.m. on Friday, July 21 and the 13-14 year old all-stars also playing Orland Park on the same evening at Orland Park. On Tuesday, July 25 at 6 p.m. the Patriots will play at Peotone.

Mr. and Mrs. George Kaehler attended a party in honor of the 80th birthday of Mrs. Mia Hanson on Sunday, July 9. The party was held in the home of the latter's son and family, Mr. and Mrs. Robert Hanson, Oak Lawn.

Mr. and Mrs. Robert White and family have returned from a two-week camping trip which they spent at Lake Park, Lake of the Ozarks, Cambden, Mo. They had an enjoyable time boating, fishing, swimming, water skiing and relaxing.

The St. Anthony Church will have its annual parish picnic on Sunday, July 30, at Highland park. There will be games for all and swimming. A potluck dinner will be served. Each family is asked to bring its own meat dish, a dish to pass and table service.

Some of the girls from Junior Girl Scout troop 378 went on a bike hike Saturday, July 7. They were Marcie Albright, Diane Castens, Rosie Fields,

Cathy Wilson, Teresa Sulkowski, Joanne Fields and Gail Castens. They were accompanied by Mrs. Eddie Fields and Mrs. Al Castens. These girls are working on their cycling badge in scouting.

The newly formed Youth Group of the St. Anthony Church had its first meeting Monday evening, July 10, at the Prestwick Country club. The following officers were elected: John Heniff, president; Mike Kirsh, vice president; Mary Lyn Piha, secretary; and Cheryl Hraha, treasurer. The group swam, had refreshments and there was music by the "Segals." The next meeting will be held on Monday, July 24, at 8:30 p.m. in the St. Anthony Church basement.

The last day of the summer school session at the Arbury Hills School will be on Friday, July 28. On Thursday, July 27, the pupils will have an art fair. The parents are invited to come to see the work their children have done.

Registration days for the 1972-73 school year will be held on Aug. 23-24 and 25. Book rental will be payable at the time of registration. The book fees for the coming year will be \$5 for kindergarten, \$10 for grades one through four and \$12 for fifth through eighth. There will be a fee of \$6 for milk.

The children from Arbury Hills will register at the Arbury Hills school and those from Frankfort Square and Lincoln Estates will register at the Ann Rutledge school. Those entering kindergarten and fifth grade must have their dental and health forms filled out. The child entering kindergarten must bring a birth certificate.

The Senior Citizens "Happy Hour Club" will have a potluck picnic at the home of Elizabeth McGuire, 1155 N. Cedar Road, from 12:30 to 4:30 p.m.

GSU ties in radio contact

WILL COUNTY — The County Board of Supervisors approved a resolution Monday submitted by Vernon Drexler, chairman of the Public Safety Committee, on behalf of Sheriff Joseph R. Trizna, authorizing the immediate establishment of Will County Police radio communications service for the police department of the Governors State University.

The Village of Park Forest South as well as five other municipalities in Will

County presently contract with the Will County Police for communication service.

The increasing number of municipalities contracting for the radio services has caused the sheriff's office to recently install a new solid state base communications system and to obtain eight signal booster towers for various parts of the county to provide "one nation," according to Sheriff Trizna.

Wednesday, July 26. Please bring a dish to pass, table setting and chair. Coffee will be served. If you need transportation call 815-485-2352.

Tasty Talents

"Home-Spun" Flavor

TINLEY PARK — New recipes are great, but when families get together, there is nothing like an old family recipe to delight one and all. Mrs. Herman (Loretta) Laucke's recipe for Hurnchen (individual filled horns) was given to her by her mother-in-law, Mrs. Elsa Laucke. The senior Mrs. Laucke, 83 years old, lives with her son and daughter-in-law; she received the recipe from Germany.

The Lauckes, 17624 S. 65th Ave., have a daughter, Linda, also living at home. Linda is a teacher in Orland Park.

Loretta has worked at the Bremen Bank and Trust Co. for about 12 years. Her hobbies include sewing, baking and fishing. However, if you are looking for any good "fish recipes" don't ask Loretta — she readily admits that she doesn't like to eat fish; she just likes to catch them.

Hurnchen

1 cup lard (room temperature)
1 cup cold milk
1 ounce fresh yeast
3 egg yolks
3 cups flour
Add crumbled yeast to cold milk and set aside. Beat lard and egg yolks together (beat well) Add milk and yeast mixture. Beat in flour a little at a time. Take a square piece of cloth about 3 feet square. Put dough in the middle. Bring up the corners of cloth and tie tightly shut at the ends (forming a sack). Be sure and leave enough room for dough to rise. Put sack in large bowl of cold water with ends over sides as it may drip.

Let rise for about 2 hours. Take dough out of sack and roll around in about a cup of flour as outside of dough will be sticky.

Cut the dough into four pieces. Sprinkle a pastry board or cloth with about 1 cup of sugar and 2 tablespoons flour. Roll out (each of the four pieces) dough into a thin round circle. Cut into 6 or 8 equal wedges (as you would cut a pie) Put Solo apricot, prune or poppy seed filling on wide end, and, starting with the wide end, roll towards narrow end and seal edges. Turn the two ends slightly forming a crescent shape and bake in the oven at 350 degrees until lightly brown.

Frankfort instructor co-authors program

FRANKFORT — Two area teachers, Roberta (Bobbie) Noonan, Frankfort, and Carole Hillman Obrecht, Park Forest, are authors of a new kindergarten and pre-school program, "Bold Beginning."

The Frankfort end of the partnership is director of the Bobbie Noonan Pre-School at Alsip. She also is a member of the child care advisory committee at Moraine Valley Community College. Carole Obrecht is director of the Heather Shool Learning Center at Flossmoor.

Roberta Noonan

The new program is a total curriculum, complete with daily lesson plans and all visual aids and manipulatives necessary to teach basic skills and concepts to four- and five-year-olds.

The Happy House Puppets Missy Manners, String Bean, Taffy Apple, Banana Peel, Dill Pickle and Weeping Willow, were created and designed by the authors and are described as the focal point of the program. The early reading lessons feature stories about the escapades of the puppets. The program is being published by Educational Products, Inc., of Oak Lawn.

The authors said they wrote the program because they believe it was needed saying there was no program on the market that offered a teacher a total, integrated program.

"Bold Beginnings" is described as unique because it is a well balanced, sequential and developmental program using a conceptual approach.

By utilizing a multi-sensory, discovery approach the child achieves understanding rather than mere memorization. It also permits him to advance at his own rate.

Both authors are available for consultation, inservice or teacher workshops to explain the "Bold Beginning" program or to assist any public or private school or agency in the organization and implementation of an early learning center, or to speak on any aspect of early childhood education.

Peters in cadet training

NEW LENOX — Cadet Jerome L. Peters, 19, son of Mr. and Mrs. Leonard W. Peters, 203 E. Wood St., New Lenox, is attending the Army Reserve Officers Training Corps basic summer camp at Ft. Knox, Ky., from June 16 to July 27.

Cadet Peters, a student at Knox College, Galesburg, is one of more than 10,000 students attending Army ROTC training at six installations in the U.S.

Students attending the six-week camp are preparing themselves to enter the Army ROTC program when they return to college this fall. The two-year program is designed specifically for junior college graduates, transfer students and others who were unable to

take ROTC during their first two years of college.

During the camp, the future cadets receive instruction and troop leadership experience which emphasizes the development of confidence and the ability to make decisions in a challenging environment.

Students who successfully complete the training and are accepted for the two-year program are enrolled in the advanced course at their school and receive the same instruction and benefits as do other cadets in the final two years of the regular four-year program.

Cadet Peters is a 1970 graduate of Providence High School, New Lenox.

Resource Council forms

WILL COUNTY — A Community Resource Development Council has been organized in Will County, it was announced by A. A. Wicklein, senior extension adviser.

This group of unpaid local leaders will work with the U of I Cooperative Extension Service to develop Extension education programs in areas of public concern, such as zoning, conservation of trees and outdoor areas, land use planning, reforestation, consumer

information, refuse collection and disposal and water management.

James Clarage, Lockport, was selected as chairman, with William Glasscock, Joliet, vice-chairman. Mrs. Herman Lindholm, Naperville, and Mrs. John Herron, Plainfield, are to serve as secretary and treasurer.

Other members of the group are Glenn Coburn, Lincoln Estates; Vern Dillon, Joliet; Hal Holz, Wilmington; Robert Loitz, Peotone; William Randles, Joliet, and Robert Reiter, New Lenox.

A-C dealer heads group

WILL COUNTY — The Will County Agricultural Extension Service Council has reorganized at the July meeting, according to A. A. Wicklein, senior extension adviser.

Everett Heatherwick, Allis-Chalmers dealer, Frankfort, was chosen chairman. Art Mark, hog producer from Frankfort, was elected vice-chairman.

Franklin Unruh, Beecher dairyman, is secretary and William Goodwin, Wilmington dairyman, is to be

treasurer.

The Agricultural Extension Service Council develops extension educational programs for Will County in cooperation with the U of I College of Agriculture. They serve without pay.

Other members of the council are: Irving Beseke, Beecher; William Hacker, Plainfield; Leon Issert, Peotone; Ralph Dralle, Frankfort; Richard Tyler, Elwood; John E. Francis, New Lenox, and Robert Weber, Lockport.

Heisner sustains injury

FRANKFORT — Clarence Heisner, 30, 150 S. Hickory St., an employee of the village, suffered a severe fracture of the upper right arm last Friday afternoon when operating a back-hoe.

The machine was working in a ditch with the wheels off the ground. When Heisner got off he apparently stepped on

a wheel, it was reported, and it turned, causing him to lose his balance and he fell.

Don Stephen, superintendent of maintenance for the village, took Heisner to Silver Cross hospital and he was held there. The arm is broken above the elbow.

State plans oldster aid

SPRINGFIELD — June 26. Nearly 300,000 Illinois senior citizens and disabled persons are expected to realize state-financed property tax relief under legislation awaiting Gov. Richard B. Ogilvie's signature.

The so-called "circuit breaker" proposal would provide annual grants up to \$500 to eligible elderly individuals or couples who are home-owners or renters, according to Sen. Robert W. Mitchler, R-Oswego.

Mitchler said Senate Bill 1363 is certain to gain the quick approval of Ogilvie who originally suggested the circuit breaker concept as a source of aid for persons 65 or older whose incomes generally are fixed or do not increase as rapidly as taxes.

The bill says that 25 percent of a household's gross rent is figured as property tax that the landlord passes on to the renter.

Under the plan an applicant would qualify for a grant when the real estate tax on his residence exceeds 6 percent of his annual income if it is under \$3,000 or 7 percent of the household income if it more than \$3,000 but under \$10,000.

Mitchler said, "This legislation marks the largest monetary commitment made by any state for disabled and senior citizen property tax relief."

"Senior Citizens and those totally disabled are often victims of drastically reduced, fixed incomes that display very little response to inflation."

"For the most part these are persons who have worked a lifetime paying taxes and now merit a break. This

particular relief is many years overdue," Mitchler stressed.

Illinois is the 12th state to enact the circuit breaker type of legislation. The Illinois plan will aid the elderly and disabled in addition to the recently Homestead Exemption Act of 1971.

Pumphouse fence

NEW LENOX — Alba Builders, Lockport, was low bidder on a fence to surround the new pumphouse at New Lenox and the contract was awarded to the firm for \$992. There was but one other bid, \$1,180, submitted by Vancina, of Joliet.

The pumphouse is to be enclosed by a cyclone fence, six feet high, with a 12-foot gate. The plot to be enclosed is 50 by 50 feet.

Service News

FRANKFORT — Navy Petty Officer Third Class Jerry J. Nijakowski, son of Mrs. Gertrude Nijakowski, Route 1, and husband of the former Miss Kathleen M. Lingo, 8200 Lincoln Highway, both of Frankfort, visited Malaga, Spain, aboard the aircraft carrier USS John F. Kennedy.

His ship's six-day stay in the southern Spanish coastal town marked the first time an aircraft carrier had visited there.

Freeway hearings to begin

NEW LENOX — Tentative plans and proposals for the South Suburban Freeway were discussed Thursday at an informational meeting at the Oakview School in New Lenox.

Approximately 100 area residents attended the meeting to hear representatives of the Illinois Division of Highways explain the plans and illustrate their thinking with maps and slides.

Highway division representatives said the freeway would link Illinois 394 with the proposed Lake-Will Freeway. They told the area residents that four mini-corridors are presently under consideration for the South Suburban line.

A final decision on the route is scheduled to be made following two public meetings and the examination of residential, industrial and environmental effects of the plan.

The first public meeting is set for 7:30 p.m. July 25 at the Lincoln-Way Community High School; the second meeting will be held at 7:30 p.m. July 27 at the Rich Township East High School in Park Forest.

Highway department spokesmen said their office anticipates no destruction of Higinbotham Woods, Hickory Creek Valley, Highland and Pilcher Parks. They added that the department is also concerned about possible effects on Lincoln Way Community High School and the Francis 4-H Field.

The four proposed mini-corridors all center at New Lenox. They are: 1) beginning northwest of the village,

traveling south to Steger Road, then east to Route 45; 2) beginning at U.S. 6, going southeast to Route 30, then south to Steger Road; 3) beginning north of I-80, going north of the village, then proceeding southeast to U.S. 45; 4) beginning at I-80 northwest of the village, going south to the EJ & E

Railway, traveling east two miles beyond Cedar Road, then southeast to Route 45.

Residents present for the discussion expressed fears of homes being relocated as a result of the freeway program. Representatives of the highway department, however, argued that

the proposals are in line with the "finger plan" which shows finger-like population explosions sprouting out from the heart of the Chicago metropolitan area. They said the current area population of 95,000 residents is expected to climb to 320,000 individuals by 1995.

Will 4-Hers to attend camp

WILL COUNTY — Will County will send five 4-H'ers to the 4-H Memorial Camp at Monticello July 24-28 for the annual Junior Leaders' Conference.

The 4-H'ers attending from here, according to Dave Mowers, Will County Extension Adviser for Horticulture and Youth, will be Kent Heisner, Peotone; Gerald Heisner, Beecher; John Francis, Wilmington; JoAnn Vance, Plainfield, and Julie Isabelli, Joliet.

The conference, generally considered the highlight of Illinois 4-H work, has the theme "Become . . ." The theme is centered on 4-H'ers goals to become more aware, curious, involved and socially concerned, Mowers said.

The four-day program is prepared by past delegates to the conference. John Francis, Wilmington, has been a member of this year's 12-member committee planning the conference.

During the conference the 4-H'ers will discuss group organization and leadership skills. And they put their ideas to work when special groups spend a day at the camp with the delegates.

On July 25 the delegates will be hosts to a group of senior citizens from Springfield and Joliet. The next day underprivileged children from the expanded nutrition program in Springfield will visit the camp.

Later in the week emotionally disturbed and mentally retarded young adults from the Adolph Meyer Zone Center and Progress School at Decatur will visit the camp.

"The real value of the 4-H Junior Leaders' Conference," Mowers said, "will come when the delegates return home and apply what they've learned about working with people to local situations."

Delegates to the conference are chosen from among the outstanding 4-H members from each county and must have served as a junior leader in a local 4-H club.

TINLEY PARK

Staff photo by Tom Houlihan
It takes a lot of preparation for a 12,000 mile, 38 state trip and these two aren't taking any chances. Lon Durham (left), and Bill Binotti, have been planning their ATV trip for four years; next month, they'll be starting out.

World record trip

Nomads seek adventure

TINLEY PARK - OAK FOREST — Two area teens will be off on an adventure next month that many a man twice their age wouldn't attempt.

Lon Durham, 17, of Tinley Park, and Bill Binotti, 17, of Oak Forest, will leave from Chicago's City Hall Aug. 3 on a trip that will cover 12,000 miles and 38 states. Their traveling will be done on a three wheel tri-sport all-terrain vehicle, and will set a world's record for travel on this type of vehicle. The two youths, if everything goes all right will arrive back sometime in late September.

Their trip if successful will be a world record. In January two youths traveled from Detroit to Los Angeles on all terrain vehicles, and then returned home by plane, for what remains a world's record for travel in an all-terrain vehicle.

Durham and Binotti have been kicking the idea around for four years, since they were classmates together in Tinley Park High School, and finally this year the idea became a reality.

Both youths have had a lot of experience riding all-terrain vehicles over the years. Durham for a time operated a Mini-Baja track in Tinley, but now is employed at Karson's Shoe City. Binotti is presently employed at Oak Foods in Oak Forest.

Once the youths convinced their parents to let them make the trip they went about rounding up sponsors. The sponsors will not only supply them with products but will provide them with money for the trip.

At present the youths have the following sponsors lined up. Champion Spark Plugs, will supply plugs. Allsport Inc. will supply the vehicles. Bell Topax, helmets, and Bates Co., all leather suits. Setcom and Motorola will provide the bike to bike radio, and communications equipment. Steed Co., will provide the engine additive for the vehicles, and Brutanza Co., will design and install the special three cycle engines for the bikes, and the Austrian Ski and Sports Haus has provided the camping equipment the youths will use on their trip.

According to Durham the vehicles are licensed for interstate travel and they will be able to use regular highways throughout their trip.

Arrangements have been made by sponsors to provide the vehicles with gas and oil along with any repairs that might be needed along the way.

"The vehicles have a speed of about 110 mph, but we will be going at a speed of about 60-70 mph. We hope to be

driving eight hours a day, and cover about 400-500," Durham said. Along the way the youths are scheduled to make appearances on television, including the possibility of appearing on such network shows as Johnny Carson and Dick Cavett.

Included in their itinerary is a stop at Caesar's Palace in Las Vegas, and a stop in Washington D.C. where they would like to spend some time with the president or vice president, and the state senators and congressmen.

The youths will leave the United States twice during their trip, they plan to swing down to Trijuana in Lower California, after they stop at San Diego. On their return trip they will stop off at Niagara Falls and view the falls from both the American and Canadian side.

Major stops on the trip which was routed by Durham include St. Paul, Denver, Salt Lake City, San Francisco, Los Angeles, San Diego, Dallas, Houston, Miami, Atlanta, Philadelphia, New York, Portland, Maine.

Giants Peanut champs

ORLAND PARK — The Giants have won it all.

The National League Giants of the Orland Youth Association's Peanut League ran through a 19-game schedule without a loss under direction of Manager Ken Vos and Coaches Hal Boardway and Walt Rux.

Sunday afternoon they captured the big one, taking the third straight game from the American League's Indians 37-5 in the Peanut League's "World Series".

The Giants, who entered the series playoffs with a 16-0 record, took the opener 27-4 Thursday evening, the second game 8-1 on Saturday afternoon and completed the three-game sweep Sunday afternoon.

The Giants honored Manager Vos with a "Manager of the Year" plaque. Each member of the Giant squad received a trophy from the OYA as members of the championship squad.

The 19-0 won-loss was an OYA record as was the 16-0 regular season record. The team had five no-hitters during the

season and five shut outs.

Members of the Giant team are Don Boardway, first and pitcher; Mike Conry, fielder and pitcher; Lawrence Covolo, fielder; Tom DeFacci, fielder; Bret DeVal, short stop; Jim Dowling, second; Bob Hirschman, catcher; William Hoffmeister, catcher; Savino Latuga, fielder; Matthew McGannen, fielder; Dave Revord, pitcher and first; Greg Rux, third; Ken Vos, Jr., fielder; Jeff Wood, fielder; and John Gobby, fielder.

Moving to the Monor League next season from the championship Giant squad will be Boardway, DVal, Dowling, McGannen, Revord, Rux and Vos.

Next season the Giants will be managed by Jack Wood and coaches will be Larry Covolo and William Hoffmeister.

The HERALD would like to apologize to Giants Dave Buck and Dave Revord. The "Harried Hurler" in last week's issue was Pitcher Revord and not Pitcher Buck as identified in the picture caption.

Swim club swamps rivals

ORLAND PARK — The Palos-Orland Swim Association swimmers and divers did it again. They inundated the Skyline team by a score of 424 to 272 on Tuesday, July 11, in the home pool at Sandburg High School.

The POSA swimmers churned up the water by capturing all but eight of the first place ribbons out of a possible 40 for the individual events.

Eagles earn title share

ORLAND PARK — The high flying summer baseball team from Carl Sandburg High School last Saturday clinched at least a tie for first place by splitting a doubleheader with Blue Island.

In the first game Sandburg was romped 10-2 with John Carroll of Sandburg taking the loss, going two innings and allowing seven runs. Other pitchers of that game for Sandburg were Joe Stratta and Jim Harding.

In the second game the Eagles won 5-4 behind a six hitter from Jeff King, Sandburg's ace. The Eagles pounded 12 hits with Bill Niccoli and Crane D'Loughy getting two hits apiece.

In other games last week saw the Eagles thump Quigley South on Tuesday LaGrange on Thursday and Rich Central on Friday.

Tuesday's game against Quigley South wasn't much of a contest as Sandburg walked to an easy 12-3 victory. Jim Harding of the Eagles was the hitting hero of that game with two two-run homers. Bill Nelson also of Sandburg went three for three in that game.

Thursday's game wasn't much different as the Eagles dumped LaGrange 7-2. John Carroll, Joe Stratta and Steve Rodeck combined for the win. Rodeck was credited with the win. Ron Weiland,

Crain D'Loughy, and Bill Niccoli of Sandburg all had three hits.

And Friday was more of the same thing as the Eagles defeated Rich Central 9-2. Bill Nelson and Crane D'Loughy led the Eagle attack with three hits apiece. John Karroll started the game but only pitched an inning so Jim Harding and Joe Stratta combined with Harding being credited with the win.

Asking coach Ron Mellen how he thinks the Eagles have done this year, he commented that the hitting has been very good and the pitching showed bright spots but he said he was not totally satisfied with it.

Sluggers paste Gingerbrats

OAK FOREST — In the Fieldwood League the Sluggers downed the Gingerbrats 17-10 on July 10. The Brats started off with a five run lead going into the bottom of the second and then the Sluggers came to life with nine runs in their half of the inning, and were not overtaken again.

Sluggers Pitcher Tamey Bollinger pitched her first complete game. Helping the cause was the strong hitting of teammates Sue Peterson, Diane Biscan and Chris Kohut, who each went

four for four, and Tamey with two hits.

Brat Pitcher Gail Gorman pitched six strikeouts and went three for three in a losing effort. Deanne Weisbrodt was four for five, scoring three times. Kim Skowronski was also four for five and Sue Wallace was three for three.

Both sides showed great fielding and pitching but the Sluggers were having a hot day and came away with the win.

In Monday's game between the Blackjacks and the Sagabojos the BJ's got off to a flying start with 11 runs and took the

game 20-4. BJ Patty Denhart got a homer. In the fourth Saga's Darlene Dzik closed the gap a little with a three run homer. But the rally was short lived and at the end of four it was the BJ's in the lead 13 to 3. The BJ's kept on the scoring trail with good hitting by pitchers Lorri Kellerman and Debbie Biscan and fielders Lynn Benninger, Madonna Cipolla and Lorri Dehnert.

The Sagas were getting hits but not enough of them in the same inning and wound up on the short end.

On Wednesday, July 12, the Sluggers, hot after two wins, met the Blackjacks and dominated the game from the first inning with seven runs which seemed to get the BJ's so tensed up that they never could recover. The greatly improved fielding of the Sluggers kept the BJ's at bay although they did start a rally in the fourth but it died with only four runs scored.

Brotherhood paces Continental division softball conference

TINLEY PARK — The Losers of the Federal Division and the Brotherhood of the Continental Division are the No. 1 teams as the Tinley Park Men's Softball League enters its final phase of competition.

The Brotherhood took over first place after defeating the Nickelbags 10 to 9 in a 10-inning ball game.

Another exciting game during the week was between the Snappers and the Landlovers. The game was called after 10-innings because of darkness with a tie score of 10 to 10. The Snappers had five plays and the Landlovers had four.

Other games during the week were as follows: Landlovers 22, Knights 2; Losers 20, Snappers 13; Lugans 13, Bombers 9; Brotherhood 16, Roadrunners 8; Nickelbag 21, Tappers 1; Latecomers 21, Bears 10; Landlovers 1, Superchiefs 0; Losers 11, Knights 8; Roadrunners 24, Tappers 3.

Cubs, families swim

OAK FOREST — Cub Scout Pack 341 and the Cubs' families are planning a splash party Wednesday, July 26, at the Tinley Park High School pool.

The June pack picnic was held at Bachelor Woods where the scouts participated in the Olympic games. The first place winner was Bob Plutz; Steven Voll, second; and Bobby Ryan, third.

Billy Graziano received a silver arrow and Richard Kavanagh was promoted from Webelos to Boy Scout Troop 341.

The Pack expressed appreciation to residents of Oak Forest and the surrounding communities for making their recent paper drive a success.

Frankfort gals win

ORLAND PARK — Ladies' softball team last Wednesday night was defeated by a tough Frankfort team 5-3.

This game being only Orland's second game of the season doesn't mean disaster for the Orland Ladies at all. As of now their record stands at 0-2. But as one team member said, "it just wasn't our day."

The Orland Ladies will try to rebound back this Wednesday night against Frankfort again at Orland Center, the game starting at 6:30 p.m.

ORLAND PARK — Two boys from this community participated in the annual Bridgeview Soap Box Derby Sunday on the 79th Street bridge but they lost their bids in the preliminary heats.

Steven Lempera, 14, and his brother, Jeffrey, 13, were among the 36 racers. They are the sons of Mr. and Mrs. Anton Lempera, 14601 S. Birch St., Orland Park.

Steve's entry was sponsored by Sunrise Heating of Orland Park and Jeffrey's racer bore the sponsorship of the Orland State Bank. Winner of the annual downhill competition was two-year veteran Susan Farbin, appropriately sponsored by the woman's liberation group, NOW (National Organization of Women). There were six female drivers in this year's race.

This was Steve's second year in the Bridgeview race. He was a heat winner last year.

TINLEY PARK — Rhonda Shaw, Tinley Park, won the first place medal in the 50-meter breaststroke for girls 10 years old and under in the 13th annual Portage Park AAU Swimming championships July 1.

She recently participated in the Moline Invitational Swimming meet where she also was first in breaststroke and second in 100 meters freestyle.

Vicki Shaw was first in the 100 meter freestyle, 100 IM and 50 meter freestyle for girls 11 and 12 years old.

ORLAND PARK — The Glenn Beckert baseball camp held at 151st Street and 94 Avenue is in its last week. This is the

Driver loses arm

TINLEY PARK — Tragedy again struck one of racing's foremost families Sunday when Merle Bettenhausen was seriously injured in a crash at Cambridge Junction, Mich. Merle, son of Tony Bettenhausen and brother of Gary, lost his right arm during a 200-mile race for Indianapolis type cars at Michigan International Speedway. It was his first start in a championship race.

Merle, 29, lost control of his Kingfish-Offy coming out of the track's second turn. The machine veered into an aluminum guard rail, bounced off and scraped along the barrier for 200 yards before coming to rest in the middle of the track.

Bettenhausen's arm was sheared off above the elbow. He also suffered third

degree burns on his face and lacerations in the pelvic region. A spokesman at University Hospital in nearby Ann Arbor described his condition as "critical but stable."

Mike Hiss and Tom Bigelow also were involved in the accident. They both escaped injury, although their cars were badly damaged.

Gary Bettenhausen had started third among the 26 drivers in the race. After Merle's accident, Gary's car was withdrawn from the race by owner Roger Penske. Penske said the car was removed so that Gary could be with his brother.

Two-time national champion Tony Bettenhausen was killed in a practice crash at Indianapolis in 1961.

Tinley swimmers split

TINLEY PARK — The village's swim team continued to battle teams of the Des Plaines Valley Conference during the past week meeting challenges of Western Springs Swim Club and of Palos-Orland Swim Association.

Julie Milani, Tony Milani, Kim Noreen, David Balke, Rhonda Shaw, Ron Nix, Theresa Palmer, Patty Miller, Karen Walsh, Vicki Shaw, Paul Opalacz, Jean Blitvich, Gary Younger, Mark Opalacz, Jeff Fredette, Dave Engelbert, Linda Haslinger, Keith Nix, Paul Hubbell, Tom Simon, Linda Balke and Margaret Mazurowski.

Exclusive of diving scores Tinley Park won over Western Springs 364 to 349, but was unable to hold out against Palos-Orland 331 to 395. Both meets were fiercely contested and swimmers as well as supporters thrilled with the individual and team achievements in the closely fought contests. All the participants demonstrated what may be accomplished with high motivation and hard work.

Individual winners from Tinley Park in one or both meets are: Patrick Pauly,

Tinley Park completed its dual meet schedule Tuesday, meeting an exceptional Joliet Oakwood Team at the Tinley pool. Tinley Park will sponsor the six team sectional meet Saturday, July 22. Those swimmers who qualify in the sectional will then compete in the All-Star Relays Wednesday, July 26, at Riverside Brookfield High School and the 12-team conference meet at Joliet Inwood Saturday, July 29.

Synthetic fabrics are washable, but not indestructible. Be gentle, with an electric dryer.

Today's miracle fabrics can take a lot. But remember, they're still what the name says. Fabrics. That's when the gentleness of an electric dryer pays off. It's very, very gentle because it dries with a very gentle kind of heat. Radiant heat. That means it dries things the same nice way the sun does. Many models even have an electronic sensor inside the dryer door to make sure things never over-dry. That's really

important when it comes to permanent press. An electric dryer is as gentle as a dryer can be on today's miracle fabrics. Matter of fact, it's gentle on non-miracle fabrics, too.

A THOUGHT TO REMEMBER BY JIM HIRSCH

Religious customs and rituals have long been a stumbling block in the path toward Christian unity. But bit by bit, we see one breakthrough after another as the block is being chipped away. For example, in an ecumenical student conference at Ohio University in Athens, Ohio, it was reported that some 3000 Roman Catholic, Orthodox and Protestant students participated with 48 clergymen of different denominations and celebrated Holy Communion in a common manner acceptable to all faiths. Their action proved once again, that with God's help and guidance, where there is a will, there is a way.

The group reverted back to a Common ritual of the 3rd Century, of a period prior to the divisive split in Christendom. Old, traditional customs of the individual denominations were ignored. The conference celebrated Communion with the liturgy attributed to Saint Hippolytus of the 3rd Century. Incidentally, Hippolytus was a controversial character in his time. In God's Heaven, he surely must have smiled at the scene in Athens. It is to be hoped more such scenes will occur again — and again

Standards explained

MIDLOTHIAN — School bus driver specifications were made known to the School District 228 board members at the board's regular meeting last Tuesday, July 11.

John Benish, representing the Illinois School Bus Company which received the district's contract for the 1972-73 school year explained the usual procedure.

An applicant is given 20 hours of training, both in the classroom and on-the-job. Said Benish, 20 percent do not make it to the final testing. Of the remaining 80 percent, 15 percent fail the test.

The applicant who passes is then given a chest X-ray and complete physical exam. Within a year he or she must take and pass a first aid class. In 60 days, he is re-tested by written and road tests.

Any police records the individual may have are first obtained from Springfield. The driver training program costs the bus company \$350 per person. Benish supplied this information through a request made last month by Board Member Rosemary Pugliese, who wondered how much care was given the hiring of bus drivers.

Speaking for her Special Education Committee, Mrs. Pugliese commented that a meeting she called last week of district principals and committee members to discuss the past, present and future of the Southwest Special Education Co-op was largely ineffectual because the principals were absent.

Apparently there was a misunderstanding between Mrs. Pugliese and District 228 Supt. John Flynn, who was to have relayed her message to the principals. He said, "I wasn't aware that they were asked to be there. I thought your questionnaires filled out by them were sufficient."

Mrs. Pugliese also made a motion to have District 228, as a member district of the co-op, authorize an outside audit of the co-op's financial records by a CPA firm, and make the resulting information public to the district.

Her request was tabled until the co-

op's standing is reviewed. Ron Harley, board member, informed the board that the co-op is required by the state to have a yearly audit. "We have only to request a copy of it," Harley said. Mrs. Pugliese finalized her suggestion by saying, "The public has a right to know where and how the money is being spent."

Fred Flener, board member of the Curriculum Committee, announced that he had received the names of two people volunteering for his proposed updating of the educational program in District 228. Applications are being circulated within the district area, and Flener is hopeful of a good response.

Board Member Marjorie Kroener of the Budget Committee expressed her regret that, "Many will be disappointed at the committee's decisions on approval of expenditure requests. She explained that the operating budget is nearly ready for approval but that it is a tough job to satisfy all requests which were made in "good faith."

Two new staff members were approved for hiring. At Bremen High School, Michael Kristan, 24, will enter the English department. Rebecca Boylan, 23, specialist in physics and math will begin her teaching career at Oak Forest High School.

When comments from the floor were opened, Mr. and Mrs. William Corbett, Jr., 14331 S. Tripp Ave., Midlothian, presented a letter to the board protesting their son's expulsion from Bremen only a few days before his graduation.

He and two other students were caught smoking in the school washroom June 29. A one day suspension followed, but the Corbett boy is the only one to remain out of school.

In answer to "why?" Raymond Clark, Bremen principal, stated that the Corbett boy had been transferred to special socially maladjusted classes at Tinley high, to the protestations of his parents.

Commented Clark, "I don't think this should be discussed here. Let's hold this matter until an executive session can be called."

Soapbox crown stays on Duddleston mantle

OAK FOREST — History repeated itself Saturday when Bill Duddleston, of Chicago, won the third annual Soapbox Derby. Bill's brother Jim won the race last year. In taking first place, Bill won a \$500 savings bond and a trip to Akron, Ohio, for the International Finals.

The Soapbox Derby was co-sponsored by the Oak Forest Jaycees and Jack O'Donnell Chevrolet.

As it did last year, H & W Motor Express of Dubuque, Ia., sponsored the winning car.

Bill, the winner of Class B (11 and 12 year olds), beat out Chuck Lee, the winner of Class A (13, 14 and 15 year olds), to take the championship trophy. Chuck was sponsored by Jack's Hobby Shop.

Jim Duddleston also won the "Race of Champions" against 1910 winner Ron Thorne.

The awards banquet was held Sunday night at Smitty's in Crestwood. "Best built car" went to Ken Granczyn, sponsored by the Jaycees. "Best general design" went to Guy Harold Smith, sponsored by the City of Oak Forest. "Best upholstery" went to Mark

Behrman, sponsored by Gentleman's Flair, Patton's Garage and Bob Scurio. "Best brake" went to Beverly Gooch, sponsored by Suburban Realty.

Other drivers and their sponsors were: Guy Ilg, Style Carpets and Oak Forest Heating; Tom Gooch, Try-R-Plumbing and Malecky Builders; Robert Frey, Sender Realty; Tammy Frey, the Star-Tribune; Donald Hanson, the Jaycees; Dominick Bertucci, Dominick Bertucci, Sr.

Also: Randy Naughton, the HERALD; Bill Lundberg, Tri-State Bank; George Rikker, Hulett Corp; Mike Wilson, State Rep. Don Moore; Elizabeth Thorne, Friendly Oaks Garden Center; Mark McCoy, Midlothian State Bank.

Also: David Abramovitz, Interstate Bank; Joe Morris, Interstate Bank; Steve Grayce, Tinley Park Frozen Foods; Peter Balsoni, P & G Rug Cleaning; Jeff Wilson, Bremen Bank and Trust; Mike Lundberg, Nick's Marathon; Doug Reynolds, the Jaycees; Vic Ilg, Superior Installations; Jeff Morris, Jones Excavating and Elliot & Kent; and Bob Campbell, the Jaycees.

Board hears solutions to classroom dilemma

TINLEY PARK — The Wednesday, July 13, board meeting discussed primarily the building "systems" approach and mobile classroom units as prepared by Russ DeYoung and Earnest Moore of Healy and Moore Associates, an architectural firm.

Marilyn Cox, of Fernway Homeowners Association, asked Moore a number of questions in connection with the systems approach. Moore explained that this approach would be much like an erector set, in that after the main metal coated skeleton was assembled, the remainder would be built rapidly due to the fact that much of the building is pre-fabricated.

The mobile units, on the other hand, would withstand as much pressure as would a building. Wayne Rath, board member, asked Moore about the sturdiness of the mobile units when faced with high winds and possibly tornadoes. Moore said the wind factor of the mobile units is 20 pounds per square foot, as in a building.

Moore felt, however, that "the problem with the mobile units is they seriously limit the curriculum."

Besides the lengthy discussion over the classroom dilemma, the payroll was discussed. Sharon Vestal, board member, questioned the use of summer clerical help for cataloging the visual aids library.

David Leidtke, president, explained that the budget for this summer work is \$490, and Supt. John Bannes furthered explained the importance of filing and making sure destroyed films were replaced or restored.

In his superintendent report, Bannes announced the computation of tuition charges for 1969-70, \$685; 1970-71, \$627; and 1971-72, \$648.29. Bannes also stated that the school was fully staffed with the exception of two instructors in the speech correction area.

It also was announced at the meeting that every board member and candidate for the board must annually file a financial statement.

In regards to life safety, two other firms have been consulted but no bids have been awarded. An extension has been received for the Kirby Grade School as well.

In the area of transportation, those children walking to and from school will be scheduled for morning classes.

Approval of \$552 for the home bound students was given for tutoring of the special educational summary report and reimbursement claim for handicapped children.

Although Mrs. Vetal was in favor of room fans, the board approved installation of air conditioning to rooms without proper circulation for the Tinley Park Heights school. The cost is \$2,469. Bannes said "We feel we do not have adequate air flow for special classrooms." The unit will be on the roof, and will be 48,000 BTU's.

The tentative Budget for 1972-73 will be open for public inspection Aug. 11 and until public hearing, Sept. 14. The budget was adapted June 21 for approval at this date.

District 140 has moved its meeting up one week, and will be held this Thursday, July 20, at 8:00 p.m.
